We are an Operation Encompass School

Monday 13th July 2020

Dear Parents and Guardians,

What a strange year this has been! When we went into lockdown back on the 23rd March I never envisaged that we would still be in this position, with school only partially open to children as we come to the final week of term. I just wanted to say how supportive you have all been- the phone calls to check on staff and your kind words throughout this difficult period have kept us all going and we are so thankful and lucky to have such amazing parents and carers in our St Cuthbert's family.

Your child's/children's class teachers have written a report for you. It is in a slightly different format to previous years and is a reflection of where your child was at when we closed. Teachers have also got a little gift for each child in their class to let them know how proud we are of how they have coped throughout this challenging period.

In order to not have many people congregating on school premises we have allocated days for parents to come and collect their child's/children's reports. **Please can you ensure you come between the hours of 10:00am and 2:00pm to avoid the collection and drop of times of children currently in school.** There will be three tables in the foyer, one for each year group with the reports placed in alphabetical order ready for you to pick up. There is sanitiser in the entrance for use.

Nursery, Reception and Year 1 – Tuesday 14th July between 10am and 2pm

Year 2, Year 3 and Year 4 – Wednesday 15th July between 10am and 2pm

Year 5 and Year 6 – Thursday 16th July between 10am and 2pm

Siblings - If you have multiple children in the school then please come and collect all children's reports together at the older child's slot.

Children currently in school -If your child is currently attending school we will send their report home with them on Thursday.

We look forward to seeing all our children back in school in September. Further information about this will be sent out later this week. On behalf of the staff at St Cuthbert's I would like to wish you all a lovely summer – enjoy it but remember to stay safe.

Mrs Steele

Acting Head Teacher
